### Floor Care

We handle a wide range of floors, from hard surfaces to carpets and everything in between. We have trained certified professionals at each site that go through rigorous development so you know your floors are well taken care of.

### Public Areas / Third Shift Janitorial

First impressions are important, so keeping public areas clean and well-maintained is essential. We work hard to make sure your property's first impressions are spotless; including lobby, public restrooms, restaurants, casinos, conference spaces, bars, nightclubs, spa, lounges, airports, hospitals, nursing homes, commercial areas, industrial cleaning, gym and pool areas.

### Kitchen Cleaning

Qualified cleaning is essential to busy restaurants and kitchens. With our training and methodical strategies for cleanliness we ensure kitchens are ready to go for the morning rush. We also handle conferences, banquets as well as conventional kitchens.

### Stewarding

Busy kitchens need competent stewarding personnel to work behind the scenes to make sure everything is clean and organized to maximize the efficiency of the culinary team.

### Exterior Services

HSS provides services for landscaping, snow removal, pool maintenance, post storm cleanup and general outdoor maintenance.
